Legacy is a super long bodied bull that has impressed us since birth. Everything from his dark cherry colouring to his massive hind quarter, to his large scrotal and big foot is meant to catch your eye. His ADG of 3.9 lbs per day equals higher weaning weight potential for your calves. Last offering of his sire.

We are so happy with this little cow's first calf. Cairo is a very docile, wide backed bull with a smooth shoulder and straight topline. This potential heifer bull has a nice hind quarter, thick hair coat and great neck extension.

TERMS AND CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at Kramer's Big Bid Barn unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. Kramer Auctions Ltd. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Kramer Auctions Ltd. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

ANNOUNCEMENTS - from the auction block will take precedence over the printed matter in this catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recordation certificate issued and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by Kramer Auctions Ltd. or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per Breed guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Kramer Auctions Ltd. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither Kramer Auctions Ltd. or the auctioneer assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

KRAMER AUCTIONS A RITCHIE BROS.™ SOLUTION IS AGENT ONLY - It is to be clearly understood that Kramer Auctions Ltd. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Kramer Auctions A Ritchie Bros.™ solution assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

CORN HYBRIDS

Introducing **NEW** Pioneer® brand corn seed products with industry-leading yield potential and maturities developed for Western Canada. Put the superior genetic potential of Pioneer® brand corn hybrids to work for you. Ask us for a seed recommendation for your fields.

NEW

P7005AM™

2000 heat units

Earliest corn product that yields, manages harvest timing and provides built-in protection against corn borer.

- Optimum® AcreMax® seed product – for the ultimate simplicity at planting
- Excellent yield potential
- Excellent test weight for more profit opportunity
- Good plant height for ease of harvest
- Good husk cover to help protect against disease

NEW

P7202AM™

2050 heat units

Ultra early corn product with corn borer protection built for Western Canada.

- Optimum® AcreMax® seed product – for the ultimate simplicity at planting
- Produces large kernels and high test weights leading to more profit potential

P7632AM™

2225 heat units

Optimum® AcreMax® seed product delivering integrated refuge for above-ground insect control

- Good drought tolerance
- Excellent root strength
- Excellent husk cover to help prevent damage from disease
